

Nancy Moseley Elementary
"Teamwork Makes a Dream Work"

May 27, 2010

Nancy Moseley Career on Wheels Day Presenter:

Thank you for taking the time to help make the second annual Nancy Moseley Career on Wheels Day a great experience. The support that you have shown by visiting our campus and spending time with our students is greatly appreciated. I know the students benefited from your expertise and enjoyed hearing about different professions that are available to them in the near future. We sincerely hope our Career Day was beneficial for you and that you understand the importance that we place on preparing our students to be productive citizens ready to pursue their dreams.

Thank you again for your time and interest in the students at Nancy Moseley Elementary School. We do hope you will partner with us again next year.

Thank you so much,

Cheryl Rosen
